1. Year Graduated from NSU?

2. Are you currently working in a field related to your NSU degree?

3. Author Dashboard and Readership Report Questions

4. Do you have a link to your online theses/dissertation in an online CV or website, such as LinkedIn?

5. On a scale of 10, how has having your theses/dissertation being online affected your post graduation?

Pacific and NSU have implemented various customizations within their IRs, primarily due to copyright concerns.

Pacific:
- Text created by NSU's Copyright Officer
- Request to enhance management on OA ETDs
- Notification of restricted access due to lack of author permission

NSU:
- Requests for author permission on restricted access ETDs
- This document is currently not available here.
- Contact button to allow researchers to request access to restricted ETDs
